

## Fall Photo Information for YUFC Players and Parents

(September 2022)

*Hello Parent!*

My name is Melissa Cursons and I am the owner of Inspiring Imagery. I am SO excited to be the photographer for individual and team player portraits for YUFC this year! Please take a moment to read through this information and contact me if you have any questions.

*Sincerely,  
Melissa*

### Who needs to be photographed?

*Every player will need to be photographed in their uniform. This image will be used to create a composite image of all the players on each team. A composite picture of the team will allow for all players to be included (rather than trying to be at a practice where all players are present). It also helps to create an image of younger players where everyone is looking at the camera and happy.*

### If our player has their picture taken, do we need to buy pictures?

*No. There is no need to buy images if you don't want to.*

### How long will it take to receive our images?

*Once all of the players have been photographed and then edited, the images will be sent to the printing company. My goal is to get your prints to you as soon as possible but this may take up to 12 weeks. You can choose to pick up your prints at the studio or pay for shipping to your home.*

### How do I book my time to have my player photographed?

*Go to the website [www.inspiringimagery.ca/yufc](http://www.inspiringimagery.ca/yufc) to book your child's time. All photograph appointments will be at the Gallagher Center outside the East Entrance to the Flexihall. You can also visit this link: <https://book.usesession.com/s/G11au5E-T>*

### How do I reach you if I have questions?

*You can email me (Melissa) at [info@inspiringimagery.ca](mailto:info@inspiringimagery.ca)*

Please fill out the order form in full and sign at the bottom.  
We will not be held responsible for mistakes.
